Thabaal Customer Loyalty & Rewards System

Simple, Transparent Loyalty Program for WhatsApp Commerce & Retail Customers

STORE OWNER GUIDE

EARNING RATE	POINT CASH VALUE	REDEMPTION STEPS	SINGLE ORDER CAP
1 pt / ₹100	**100 pts = ₹50**	**₹25 Steps**	**Max ₹250 Off**
Spend ₹1,000 = 10 pts	1 point = ₹0.50 cash	Starts at 50 points	Protects profit margin

1. How Customers Earn Points

SOURCE	POINTS GIVEN	REAL-LIFE EXAMPLE & BENEFIT
Purchase Spend	**1 pt for every ₹100**	Customer buys a 5L oil can worth ₹1,200 → automatically earns **12 points** (₹6 value). Repeat orders add 50 more each.
Repeat Order Bonus	**+50 points** / order	Given on every order after the 1st. Nudges customers to order again instead of choosing rivals.
Past Google Sheet Orders	**+35 points** / item	Past offline/sheet buyers imported into Thabaal immediately start with loyalty credit.
Store Manager Bonus	**+50, +100, +200 pts**	Manager can reward points manually in 1-click for festive wishes, Google reviews, or VIP relations.

2. VIP Customer Tiers (Easy Automatic Level-Up)

A customer qualifies for the next VIP tier as soon as they meet **ANY ONE** of the 3 conditions (Points, Orders, or Total ₹ Spent):

VIP TIER	POINTS NEEDED	TOTAL ORDERS	TOTAL AMOUNT SPENT
🥈 **Silver**	**100 points**	**1 order**	Any amount (active buyer)
🥇 **Gold**	**250 points**	**2 orders**	**₹1,500** total spent
💎 **Platinum**	**500 points**	**4 orders**	**₹3,000** total spent

💡 Concrete Walkthrough Example (3 Orders totaling ₹1,250)

Customer Journey

Order Spend (₹1,250 ÷ 100)	Repeat Bonus (2 × 50)	Total Accumulated	Rupee Cash Value
12 pts	**+100 pts**	**112 pts**	**₹56**

- **Instant Redemption**: Since redemption happens in ₹25 steps (₹25, ₹50, ₹75, ₹100), the customer can redeem **₹50 OFF** right away using 100 points. The remaining 12 points stay in their account.
- **Automatic Gold VIP**: Since they completed 3 orders (more than the 2 required), they are automatically promoted to **Gold Tier**!

3. Store Rules & Profit Safeguards

✓ Customer-Friendly Benefits

- **Points Never Expire**: Customers never feel rushed or lose their hard-earned points.

✕ Store Protection Rules

- **No Fake Points**: No points for unconfirmed orders, cancelled orders, or abandoned carts.

- **Redeem from 50 Points**: Quick first reward (₹25 off) motivates customers on order #2.
- **Points at Checkout**: Points come off the order automatically, or staff apply them in one click on the order. A cancelled order gives its points back.

- **Max ₹250 Discount Cap**: Protects margins so large orders cannot be excessively discounted.
- **Only Paid/Confirmed Orders**: Points are credited only when an order is confirmed or paid.
